ANNUAL REPORT OF THE
TOWN OF SANBORNTON
NEW HAMPSHIRE

For The Year Ending December 31, 1995

❖ DEDICATION ❖

Anne E. Ingemundsen

Anne had a wonderful smile and a warm and helpful way of serving the taxpayers of Sanbornton as their Town Clerk-Tax Collector. Residents and non-residents alike were welcome in the Town Offices. Whether paying a tax bill, registering a car or researching family history, everyone found a gracious reception. Anne Ingemundsen served the Town for almost twenty years and loved giving to the townspeople more than her job required.

Anne was a professional in every sense of the word. Trained as a teacher, she was highly regarded by her peers and served as an officer of the NH Tax Collectors Association for five years. Among her contributions was the development of a three year certification program now available to New Hampshire Tax Collectors and Town Clerks. The program not only offers guidance on the nuts and bolts of being a Town Clerk-Tax Collector, it also provides these elected officials with a variety of courses designed to help them achieve a greater level of professionalism in serving their communities.

Sewing and decorating were two of Anne's passions. We remember her excitement in decorating the newly-renovated Town Offices, sewing the curtains and scouring the Town Hall attic for antique furnishings that are now used and enjoyed by all.

Much of Anne's free time was spent "digging in the dirt," as she would put it, caring for her gardens. She loved flowers and geraniums were always a favorite. She enjoyed cultivating and caring for those that graced the Town Offices during the summer months. Her special caring touch will be missed.

REPORT OF THE BOARD OF SELECTMEN

Early in January construction of the transfer station was complete and we successfully moved from operation of a landfill to a transfer station/recycling center. Much of the success is due to the hard work of the members of the Solid Waste Committee under the leadership of Joel Anderson, and facility manager Mary O'Neil, and her staff. The pay-per-bag program was off and running in early 1995 and has contributed significantly to reducing the cost of solid waste disposal.

We are still faced with closing the landfill and have been negotiating with the NH Department of Environmental Services regarding the method. In 1996 we expect to ask the voters for funding for two additional monitoring wells. Data collected from these monitoring wells will help shape the direction we go with the closure.

Development of the Town Park on Shaw Hill Road has begun. Trees have been cut, stumps pulled and a new access road created for the transfer station/recycling center. We would like to see a baseball field, with a soccer overlay, and some parking in place in 1996.

When E-911 went on line in July, Sanbornton residents were ready. Through the efforts of members of the Fire Department and Police Department, each residence was provided with a number. A reminder -- the ordinance requires that each residence be clearly numbered. It is in your family's best interest that it be done.

This summer, we were all treated to the wonderful fireworks display at Ward's Airfield, put on by Bob Depoutot and the Celebration Sanbornton Committee. Lots of time and hard work went in to the event. Thank you.

As always, the bulk of work performed in a small community, like Sanbornton, is done by a few employees and lots of volunteer help. We want to take this opportunity to thank our town employees for their dedicated service and hard work this past year and to recognize the countless hours of volunteer service by members of the fire department, the auxiliary, and board and committee members. We are fortunate to have so many residents willing to give of their time and energy for the benefit of our community. We especially want to recognize Trustee Betty Weiant and Supervisor of the Checklist Bill Cole, long time town officials for their years of dedication.

We wish to extend our best to Jack Maurath and to thank him for his twenty years of service to the town of Sanbornton as police chief. To our former bookkeeper Dottie Driscoll, and Karl Leighton who had worked on the highway

crew, we thank you for your service. And, in closing, we note the difficult holiday season with the loss of Anne Ingemundsen, and Jeanne Dowling, the wife of our Fire Chief. Our sympathies go out to their families.

Respectfully submitted,

Bill Tobin, Chairman

Board of Selectmen

MINUTES OF THE 1995 TOWN MEETING

The 1995 Town Meeting was called to order at 7:00 PM by the Moderator, Donald P. Foudriat. Under the guidance of Joann Thompson and Debra Wyman, the Cub Scouts of Troop 282 and the Junior Girl Scouts Pack 302 presented the flags and led the pledge of allegiance. The Invocation was led by Reverend Claude G. Casanave of the Baptist Church. The Moderator then called for a moment of silence to remember those Sanbornton residents who have passed away, including those to whom the 1995 Town Report was dedicated, Alphonse Auger, Margaret Dymont and Raymond Nudd.

With the passing of Alphonse Auger, the eldest resident of Sanbornton, the next order of business was the awarding of the Boston Post Cane. Evelyn Auger was introduced for this purpose and began her remarks with a brief history of the Cane. She noted that the concept of the Boston Post Cane was sponsored by the Boston Post Newspaper. The Canes were donated by the newspaper and first awarded in 1909 to the oldest male residents of a municipality; in 1930 women were added to the field of possible recipients; and when the Boston Post Newspaper folded in 1957 the tradition was continued. As in some towns, Sanbornton's Cane is now encased and retained for display at the Town Office. The case was crafted by George Sutcliff. In lieu of the Cane, a plaque is engraved with the name of the recipient and a certificate is awarded to symbolize the passing of the Cane.

On March 14, 1995 the award was made to Clara Carlson who was 95 years of age. Clara Carlson is a long time resident, was a commercial artist, an art teacher, and was listed in Who's Who of American Women. Mrs. Carlson was also a wife and mother, and is a member of the Sanbornton Historical Society.

Marjorie Haselton was recognized for 15 years of service to the Sanbornton Public Library as a member of the Board of Trustees. On behalf of the Trustees of the Library, the Board of Selectmen, and the residents of Sanbornton, Edna Hansen, Library Trustee, Priscilla Bodwell, Librarian, and William Tobin extended thanks and best wishes to Marjorie Haselton. Marjorie Haselton also received a citation from the New Hampshire Library Trustee's Association.

Warren Wilson was presented an award for his service to the town as Overseer of the Public Welfare from 1966 to 1995. Martha Wilson was also recognized for her service as support person to this position.

The moderator read the results of the ballot count of March 14, 1995. Voters numbering 467 (33% of the 1,399 registered voters) cast ballots. The moderator's rules were then discussed.

Voter participation on March 15, 1995 included 217 voters, or 15.5 % of the registered voters.

A motion was made to waive the reading of the warrant in its entirety. The motion was seconded and so voted.

George Richards made the following motion: "To see if the town will vote to reorder the articles on the warrant by taking up Article #20 first." The voting body agreed to take Article # 20 first.

Article 20.

To see if the town will vote to authorize the initiation of state legislation on behalf of Sanbornton taxpayers to allow them voting privileges as defined in the N.H. Revised Statutes Annotated for all financial funding warrant articles at town meetings beginning with the March 1996 town meeting. By Petition.

Mr. Shepard moved to table this article. The amendment failed.
After Article # 20 was defeated, it was voted to restrict reconsideration.

Article # 20 was defeated.

Article 1.

To see if the town will vote to authorize the board of selectmen to indefinitely, until specific rescission of such authority, accept on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

Article #1 was accepted as read.

Article 2.

To see if the town will vote to rescind Article 4 as voted at the 1994 town meeting and to authorize the selectmen, indefinitely, until specific rescission of such authority, to sell tax deeded property by advertised sealed bid or public auction under the provisions of RSA 80:42 and RSA 80:80. Such action would remove the ability of the selectmen to transfer tax liens, or dispose of tax deeded property other than by advertised sealed bid or public auction. Recommended by the Board of Selectmen.

Article #2 was amended to read as follows: To see if the town will vote to rescind Article 4 as voted at the 1994 town meeting to authorize the selectmen, indefinitely, until specific rescission of such authority, to sell tax deeded property by advertised sealed bid or public auction or to otherwise dispose of said property as justice may require, under the provisions of RSA 80:42 and RSA 80:80. Such action would remove the ability of the selectmen to transfer tax liens.

Article #2 was adopted as amended.

Article 3.

To see if the town would vote to rescind Article 31 voted at the 1977 town meeting. Such action would subject all individuals on the town payroll to the deduction of social security from issued payrolls, except police officers who are excluded from said deduction by law.

Article #3 was accepted as read.

Article 4. Highway Maintenance

To see if the town will vote to raise and appropriate the sum of \$247,000 for the general maintenance of highways and streets in the town of Sanbornton. Recommended by the Board of Selectmen and the Budget Committee.

Article #4 was accepted as read.

Article 5. Highway Block Grant

To see if the town will vote to raise and appropriate the sum of \$73,416 to be received from the state highway block grant, to be used to reclaim a portion of Morrison Rd., hot top portions of Johnson Rd., Drake Rd. and Hueber Drive. Recommended by the Road Agent, Board of Selectmen and Budget Committee.

Article #5 was accepted as read.

Article 6. Highway Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$26,945 for the purchase of a new one-ton truck and 9' plow for use by the Highway Department, and to authorize the withdrawal of \$20,000 from the Heavy Equipment Capital Reserve Fund, the proceeds from the sale or trade of the old vehicle to be added to the Heavy Equipment Capital Reserve Fund. Recommended by the Board of Selectmen and the Budget Committee.

Article # 6 was amended to read as follows: To see if the town will vote to raise and appropriate the sum of \$26,945 for the purchase of a new one ton truck and 9' plow for use by the Highway Department. Said amount will be reduced by the proceeds from the sale or trade of the old vehicle and offset by the withdrawal of up to \$20,000 from the Heavy Equipment Capital Reserve Fund. The balance, if any, will be raised by taxation.

Article # 6 was accepted as amended.

Article 7. Police Department

To see if the town will vote to raise and appropriate the sum of \$166,975 for the operation of the Sanbornton Police Department. Recommended by the Board of Selectmen and the Budget Committee.

Article #7 was accepted as read.

Article 8. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$7,783 for the second and final lease payment on the 1994 police cruiser. Recommended by the Board of Selectmen and the Budget Committee.

Article #8 was accepted as read.

Article 9. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$9,931 for the first year lease payment on a 1995 police cruiser. Recommended by the Board of Selectmen and the Budget Committee.

Article #9 was accepted as read.

Article 10. Fire Department

To see if the town will vote to raise and appropriate the sum of \$45,800 for the Sanbornton Fire Department, \$1,000 of which is for dry hydrants. Recommended by the Board of Selectmen and the Budget Committee.

Article # 10 was accepted as read.

Article 11. Sanbornton Fire Department Truck

To see if the town will vote to raise and appropriate the sum of \$148,369 for the purchase of a new truck for the Sanbornton Fire Department and to authorize the withdrawal of \$116,000 from the New Fire Truck Capital Reserve Fund. The balance, \$32,369, will be raised by taxation. Recommended by the Board of Selectmen and the Budget Committee.

Article # 11 was accepted as read.

Article 12. Winnisquam Fire Department Truck

To see if the town will vote to raise and appropriate the sum of \$42,000 for the purchase of a new fire truck for the Winnisquam Fire Department and to authorize the withdrawal of \$18,900 from the Winnisquam Fire Department Capital Reserve Fund. The balance, \$23,100, will be raised by taxation. Approval is contingent upon favorable votes by other supporting communities. Recommended by the Board of Selectmen and the Budget Committee.

Article # 12 was accepted as read.

Article 13. Office of Emergency Management

To see if the town will vote to raise and appropriate the sum of \$2,250 to fund salaries for the Director and Deputy Director of the Office of Emergency

Management. Not recommended by the Board of Selectmen and the Budget Committee.

Article # 13 was accepted as read.

Article 14. Patriotic Purposes

To see if the town will vote to raise and appropriate the sum of \$1,800 to fund patriotic purposes, of which \$1,500 is for Moulton's Band and \$300 is to fund 1995 Celebration Sanbornton activities. Recommended by the Board of Selectmen and the Budget Committee.

A motion was made to amend this article to read as follows: "To increase the amount for Patriotic Purpose from by \$300.00 Dollars. The \$300.00 to be include in the budget for Moulton's Band. So that the amount for Moulton's Band will read \$1,800.00 rather than \$1,500.00 and the total warrant article will read \$2,100.00 rather that \$1,800.00".

The proposed amendment to Article #14 failed. The vote was **114 No** to 35 Yes. A motion was later made [prior to Article # 26] to reconsider this article. The motion to reconsider was defeated.

Article # 14 was accepted as read.

Article 15. Capital Reserve Funds

To see if the town will vote to raise and appropriate the sum of \$19,500, of which:

- \$ 2,000 is to be placed in the Road and Bridges Capital Reserve Fund;
- \$10,000 is to be placed in the Fire Department Capital Reserve Fund;
- \$ 5,000 is to be placed in the Heavy Equipment Capital Reserve Fund;
- \$ 2,500 is to be placed in the Sanbornton Fire Department Repair and Refurbishing Capital Reserve Fund.

Recommended by the Board of Selectmen and the Budget Committee.

Article # 15 was accepted as read.

Article 16. Town Park Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$15,000 to fund an engineering study, prepare site plans, and initiate development of a town park on Shaw Hill Road and to authorize the withdrawal of said funds (\$15,000) from the capital reserve created for that purpose. Recommended by the Board of Selectmen and the Budget Committee.

Article # 16 was accepted as read.

Article 17. Transfer Station/Recycling Center (Sanitary Landfill)

To see if the town will vote to raise and appropriate the sum of \$107,494 for the operation of the Sanbornton Transfer Station/Recycling Center and to authorize the transfer of all funds accumulated in the Landfill Non-Lapsing Fund through December 31, 1995, to the General Fund to offset this expenditure. Recommended by the Board of Selectmen and the Budget Committee.

Article # 17 was accepted as read.

Article 18.

To see if the town will vote to remove the Pay per Bag fee (charge) for the removal and disposal of municipal solid waste at the Sanitary Landfill (town dump). These costs to be included in the town budget. By Petition.

Article # 18 was defeated. Reconsideration was blocked.

Article. 19. New Mountain Road

To see if the town will vote to maintain New Mountain Road, beginning at Hale Road and terminating one mile at a stone wall meeting Old Mountain Road, subject to improvements to the road surface by abutting landowners and acceptance of the road by the Board of Selectmen upon recommendation of the Road Agent. Recommended by the Board of Selectmen.

Article # 19 was accepted as read.

Article 21.

To see if the town will vote to authorize the continuation of the tax payment discount program, until specific rescission of such authority, for a discount on any portion of future property taxes paid after April 1, and by August 15 (RSA 80:52) during each year. The discount percentage shall be equal to the interest percent-age on borrowing for tax anticipation notes. By Petition.

Article # 21 was accepted as read.

Article 22.

To see if the town will vote to authorize the selectmen to establish a competitive bidding requirement (minimum of 3 bid quotes) for expenditures of any and all town funds paid to vendors or consultants for services when expenses will equal \$500.00 or more on a calendar year basis. By Petition.

Article # 22 was defeated.

Article 23.

To see if the town will vote to authorize the selectmen to use sound recording at all selectmen meetings beginning May 1, 1995. By Petition.

Article # 23 was defeated.**Article 24.**

To see if the town will vote to develop a portion of town-owned land on Dr. True Road (TM11, Lot 71) for beach parking. Recommended by the Highway Safety Committee.

Article # 24 was accepted as read.**Article 25.**

To see if the town will vote to open the voting polls at 7:00 a.m. for all state elections.

A motion was made to amend this article to read as follows: To see if the town will vote to open the voting polls at 7:00 a.m. for all state elections and to restrict political activity to 500 feet from the voting place.

The amendment was defeated.

Article # 25 was accepted as read.**Article 26.**

To hear the report of the Budget Committee and pass any vote in relation thereto.

Jeff Fillion, speaking for the Budget Committee reported the following:

Total 1995 Appropriations	\$1,515,884
Projected 1995 Revenues	<u>\$720,909</u>
Amount to be raised by Taxes	\$794,975

Mr. Fillion reported that the approximate impact on the tax rate will be \$.50 per thousand dollars of assessment.

Article 27.

To transact such other business as may legally come before the town meeting.

No other business was brought before the meeting and a motion to adjourn was approved at 10:55 PM.

Jane Goss
Deputy Town Clerk

AUDITOR'S REPORT**PLODZIK & SANDERSON***Professional Association/Accountants & Auditors*193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the
Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Sanbornton as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Sanbornton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sanbornton, as of December 31, 1995, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Sanbornton. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

BUDGET COMMITTEE REPORT

As we approach the 1996 Town Meeting, I want to thank all parties involved in the budget process. The Board of Selectmen, Department Heads, and those from regional groups that request monies from the taxpayers of Sanbornton, for making this budget process so painless. I would also like to thank the members of the Budget Committee who have worked so very hard on this budget.

The Budget Committee was set up relative to the provisions of RSA Chapter 32, the Municipal Budget Law, the purpose of which, according to the Supreme Court, is "to provide a committee with special knowledge to oversee and analyze the expenditures of the various town departments and districts. In this manner the electorate, which would ordinarily be without the detailed knowledge necessary to vote intelligently on certain budgetary problems, might be given sufficient information to determine the annual amounts necessary to properly manage town affairs." At this writing I have no idea what you, as the Legislative Body, will vote for or against, but please ask questions, and vote.

I feel we are very fortunate in Sanbornton to have the Town Meeting form of government, which I feel is the purest form of democracy in the world today, and I hope that we never lose it. One of the best ways to keep this system, is to become involved. Take a few hours a month, go to a meeting of some department, and listen to what is going on. All meetings, with very few exceptions are open to the public. When you find something that interest you, join the committee, or run for office. You will not get rich, but there can be a great deal of satisfaction in a job well done, as well as making a contribution to your town.

Respectfully submitted,

James C. Wells, Chairman

CABLE TV COMMITTEE REPORT

It appears that the F.C.C. regulations are now becoming clearer, and hopefully the companies, municipalities and subscribers will be able to understand them. I have accumulated a number of facts which I hope will be helpful to the town residents. The following facts were received from Community TV of Laconia:

- 561 homeowners (year round) now receive cable.
- 69 summer homeowners also utilize cable.
- There are approximately 1113 homeowners in our town.
- The cost of installing cable along the utility poles is approximately \$13,200 per mile.
- There are about 58.61 miles of cable line in town.
- There is an average of ten homes per mile which have cable throughout Sanbornton.
- 15 subscribers per mile are required to qualify for cable expansion.

During June of 1995, a Community TV representative and myself drove around town, trying to locate areas which may be added to the cable system. Some of these areas were considered as possible candidates for further expansion. Community TV will mail a questionnaire to these residents to see how many homeowners are interested in receiving cable.

Finally, Community TV did tape and broadcast both the 1995 Public Hearing and the 1995 Annual Town Meeting. This occurred many times throughout the 1995 year, and the cost to the taxpayer was zero. Any questions, please feel free to call my home, 286-4844.

Guy J. Giunta, Jr.
Chairman

**1996 Warrant
Town of Sanbornton
State of New Hampshire**

The polls will be open from 7:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the twelfth (12th) day of March next, at seven of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To choose all necessary District Officers for the Winnisquam Regional School District.
3. To vote on the following proposed amendments to the Town Zoning Ordinance:

Amendment #1

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article XVII to number and list the definitions in alphabetical order. No definitions will be added or amended.

Amendment #2

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend the Town Zoning Ordinance to reorder the Zoning Ordinance Articles and all references thereto. No further amendments or additions will be made.

You are hereby notified to meet at the Sanbornton Central School in said Sanbornton on Wednesday, the thirteenth (13th) of March next at seven of the clock in the evening (7:00 p.m.) to act upon the following subjects:

Article 1.

To see if the town will vote to authorize the board of selectmen to indefinitely, until specific rescission of such authority, to accept on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

Article 2.

To see if the town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town Meeting.

Article 3. Pay Increases for Town Employees

To see if the town will vote to raise and appropriate the sum of \$16,500 to fund pay increases for town employees. Recommended by the Board of Selectmen and the Budget Committee.

Article 4. Sanbornton Public Library

To see if the town will vote to raise and appropriate the sum of \$51,330 for the Sanbornton Public Library. Recommended by the Board of Selectmen and the Budget Committee.

Article 5. Moulton's Band

To see if the town will vote to raise and appropriate the sum of \$1,800 for Moulton's Band. Recommended by the Board of Selectmen and the Budget Committee.

Article 6. Highway Maintenance

To see if the town will vote to raise and appropriate the sum of \$252,852 for the general maintenance of highways and streets in the town of Sanbornton. Recommended by the Board of Selectmen and the Budget Committee.

Article 7. Highway Block Grant

To see if the town will vote to raise and appropriate the sum of \$72,796 to be received from the state highway block grant to be used to improve portions of Hunkins Pond Road, Leavitt Road, Lower Smith Road and Lower Bay Road. Recommended by the Road Agent, Board of Selectmen and the Budget Committee.

Article 8. Emergency Management

To see if the town will vote to raise and appropriate the sum of \$2,125 to fund the Office of Emergency Management, of which \$1,000 is for general operations and \$1,125 is for salaries. Not recommended by the Board of Selectmen. Recommended by the Budget Committee.

Article 9. Police Department

To see if the town will vote to raise and appropriate the sum of \$169,628 for the operation of the Sanbornton Police Department. Recommended by the Board of Selectmen and the Budget Committee.

Article 10. Police Officer

To see if the town will vote to authorize the hiring of a sixth full time police officer and to raise and appropriate the sum of \$16,379 to fund this position. Said authorization is conditional upon the approval by the board of selectmen of a three year agreement with the U. S. Department of Justice to fund this position for a period of three years at a total amount of \$68,000. Recommended by the Chief of Police, the Board of Selectmen and the Budget Committee.

Article 11. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$9,131 for the second year lease payment on a 1995 police cruiser. Recommended by the Chief of Police, the Board of Selectmen and the Budget Committee.

Article 12. Fire Department

To see if the town will vote to raise and appropriate the sum of \$47,893 for the Sanbornton Fire Department, of which \$45,393 is for general operations, and includes \$593 to fund compensation increases for fire department members, \$1,000 is for forest fire control and \$1,500 is for dry hydrants. Recommended by the Fire Chief, the Board of Selectmen and the Budget Committee.

Article 13. Winnisquam Fire Department

To see if the town will vote to raise and appropriate the sum of \$17,100 for the Winnisquam Fire Department. Recommended by the Board of Selectmen and the Budget Committee.

Article 14. Winnisquam Fire Department Truck

To see if the town will vote to raise and appropriate the sum of \$43,000 for the purchase of a new fire truck for the Winnisquam Fire Department and to authorize the withdrawal of \$19,000 from the Winnisquam Fire Department Capital Reserve Fund. The balance will be raised by taxation. Approval is contingent upon favorable votes by other supporting communities. In the event it is not approved by the other communities, the amount to be raised by taxation, \$24,000, will be placed in the capital reserve fund for the Winnisquam Fire Department. Recommended by the Board of Selectmen and the Budget Committee.

Article 15. Transfer Station/Recycling Center

To see if the town will vote to raise and appropriate the sum of \$102, 250 to fund the operation of the Sanbornton Transfer Station/Recycling Center and to authorize the transfer of all funds accumulated in the Landfill Non-Lapsing Fund through December 31, 1996 to the General Fund to offset this expenditure, the remainder to be funded by taxation. Recommended by the Board of Selectmen and the Budget Committee.

Article 16. Solid Waste Committee

To see if the town will vote to reduce the membership of the Solid Waste Committee as established by vote of the 1983 town meeting, and amended at the 1989 town meeting, to five members, of which one member shall be the Solid Waste Facility Manager, one member shall be a member of the Board of Selectmen, and three public members to serve three year terms, to be appointed by the Board of Selectmen. The committee shall be charged with the responsibility of advising the board of selectmen regarding all policy matters concerning solid waste disposal for the town of Sanbornton.

Article 17. Monitoring Wells

To see if the town will vote to raise and appropriate the sum of \$15,000 to fund the installation of two additional ground water monitoring wells at the former landfill site on Shaw Hill Road. Recommended by the Board of Selectmen and the Budget Committee.

Article 18. Payments to Capital Reserve Funds

To see if the town will vote to raise and appropriate the sum of \$115,000 of which:

\$5,000 is to be placed in the Road and Bridges Capital Reserve Fund;

\$30,000 is to be placed in the Fire Department Capital Reserve Fund;

\$50,000 is to be placed in the Sanitary Landfill Capital Reserve Fund;

\$25,000 is to be placed in the Heavy Equipment Capital Reserve Fund;

\$5,000 is to be placed in the Sanbornton Fire Department Repair and Refurbishing Capital Reserve Fund.

Recommended by the Board of Selectmen and the Budget Committee.

Article 19. Town Park Development

To see if the town will vote to raise and appropriate the sum of \$23,000 to fund continued development of a town park on Shaw Hill Road, and to authorize the withdrawal of said funds from the Town Park Development Capital Reserve Fund. Recommended by the Board of Selectmen and the Budget Committee.

Article 20. Budget Committee Report

To see if the town will vote to raise and appropriate the sum of \$1,522,201 as recommended by the Budget Committee. The Board of Selectmen recommends \$1,522,263.

Article 21. Other Business

To transact such other business as may legally come before the Town Meeting.

Given under our hands and seal this 26th day of February, in the year of our Lord nineteen hundred and ninety-six.

CONSERVATION COMMISSION REPORT

The Sanbornton Conservation Commission continues to meet on the second Thursday of every month and we welcome all to our public meetings.

Our focus, as in the past, is to oversee town owned property, monitor conservation easements, and review wetlands applications. We also have two Subcommittees - Forest and Trails, with very dedicated and enthusiastic members.

The Forest Subcommittee has viewed logging operations, past and present, and most recently worked with the Park Committee on the logging and chipping for our new town park. Many side trips and discussions took place regarding the location of playing fields and roads, and maintaining the privacy of the Heritage Trail.

The Trail Subcommittee has had an active year, thanks to our member and leader, Hal Graham. With his trail expertise we have completed a major portion of the Heritage Trail on town-owned property along the Pemi River. The Trail is well marked, and we are thrilled to see people hiking, showshoeing, cross country skiing and enjoying the beautiful woods and views. There is a wonderful diversity of wildlife along this untamed area. Many have seen moose crashing through the woods, and early this Spring we viewed a den of baby foxes across the valley, and watched their progress and joyful antics.

The Heritage Trail on the lower flood plain is also near completion to the New Hampton town boundary. An ongoing project is to finish more trails on Eastman Hill Road. People seem to like this trail system, our maps are being used, and there appears to be constant year-round activity. Remember, the easiest maintenance of trails is use, however, we are very thankful for the Trailwrights on their many work days to assist us. We also thank the Boy Scouts for their work days on the Trail.

Some other projects we accomplished last year were; an Earth Day Puppet Show which Faith Tobin, with the help of arborist Mark Foster, presented for the Sanbornton grade school children; and meeting with the New Hampshire Forestry Foundation regarding a piece of backland property near Sanbornton Mountain, to create a Memorial Forest in honor of Mike Burke. The plan is to provide for hiking trails there, and passive recreational use.

Wayne Elliott, and Bill and Faith Tobin represented our town at the Annual Belknap County District Meeting, with a presentation regarding wetlands. Hal Graham attended the N.H.A.C.C. Annual Meeting, returning with many informative handouts.

(Conservation Commission Continued)

New reading for our growing collection:

- Forests Forever, from S.P.N.H.F.
- Wetlands Board and Rules
- Best Management Practices for Erosion Control During Trail Maintenance and Construction
- Wetlands Board Code of Administration Rules

For the future (hopefully in July), we are planning a "Conservation Evening" to help bring awareness of conservation issues to the public. Guest speakers will discuss forestry, wetlands, trails, and other conservation related subjects. This will be a great opportunity to share your views and learn more about your town.

Respectfully submitted,

Faith Tobin, Co-Chair
Wayne Elliott, Co-Chair

COOPERATIVE EXTENSION SERVICE

Cooperative Extension - What is it? What does it do?

Our New Year's resolution is to increase our visibility, improve our outreach efforts throughout the County, and to dispel the myth that the Belknap County-UNH Cooperative Extension is "a well kept secret".

We wish to increase your awareness of the Extension and encourage future Extension education opportunities of benefit to you and your community. The Belknap County-UNH Cooperative Extension provides people with research-based education and information, enhancing their ability to make informed decisions that strengthen youth and families, sustain natural resources, and improve the economy.

In 1995, Belknap County Extension had a total of 12,842 program contacts; a summary for the Town of Sanbornton, by program area, is presented below:

Agricultural Resources	41
Family Development	97
4-H and Youth Development	392
Forest and Wildlife Resources	<u>76</u>

Total of Sanbornton Contacts	606
-------------------------------------	------------

Your Town Offices has a brochure entitled, "How Belknap County UNH Cooperative Extension Helps You", which describes our services. If you would like further information or assistance, our Extension Educators are only a phone call away, at 524-2574.

Sincerely,

Robert Cooke, Member
Extension Advisory Council

EMERGENCY MANAGEMENT REPORT

1995 was again an exceptionally busy year for the Office of Emergency Management. In March, I reviewed all dams and potential flooding areas in the town, and found that all areas were sound and water levels were at a normal or below normal level for that time of year.

In June, with the cooperation of the State of New Hampshire's Office of Emergency Management, an earthquake lecture was given to the students of the Sanbornton Central School, with a drill conducted at the school following the lecture. My thanks to Principal Ed Becker.

In October and November, with the heavy amount of rain, again I inspected all the areas prone to flooding in town, and again found no problems. If it were not for the very dry summer, a concern may have been realized in some areas. A close watch will be maintained on these areas over the winter with consideration to the amount of water there now and the amount of snowfall potential.

Training occupied a lot of time this past year. In March, I attended a two-day course in Shelbourne, NH, relating to radiological emergencies. In June, July, and August, I participated in drills for the Vermont Yankee Nuclear Facility located in Vernon, VT. In October, I attended a two-day workshop at Otis Air Base on Cape Cod, regarding natural disaster mitigation, response, and recovery.

At the present time, along with Police Chief Richard Robinson, we are hoping to acquire a generator to provide emergency power to the Life-Safety Building and Town Offices. Without it, we are in the same boat as everyone else if power is lost. A temporary evacuation center is only as feasible as the accommodations it can provide. Without emergency power, the Life-Safety Building would be useless in the time of a disaster.

If anyone would like more information with regards to emergency management, please contact me though the Town Offices or the Fire Department.

Stan Barnes, Director
Emergency Management

Financial Statement:

1995:	Appropriation	\$2,750.00	1996:	<u>Budget Request</u>	
	Expenses	\$ 412.44*		Expenses	\$1,000.00
	Salaries	<u>\$1,125.00</u>		Salaries	<u>\$1,125.00</u>
	Balance	\$1,212.56		Total	\$2,125.00

**FEMA funds not available in 1995, full appropriation not spent.*

ENHANCED 911 COMMITTEE REPORT

With the inception of the statewide Enhanced 911 system in July, the Sanbornton Fire and Police Departments have not had a problem in regards to emergency response.

It was noticed that a call from the Sanbornton Central School showed on the computer at the E-911 center in Concord to be the address of the administration office at the Winnisquam Regional High School. The reason for this is that the phone bills are sent to and paid from that location. This is a problem with many telephone lines being connected to a central switchboard. The situation is being corrected.

It is your responsibility to post your street number so as to be visible year round on your house, or at the principal entrance to your property. In the event of an emergency, time may be critical to you or to a loved one's well being. If you have any questions as to how or where to post your address, please do not hesitate to contact the Fire Department at 286-4891, or the Town Office. Someone would be glad to come out to assist you.

Have a safe and healthy 1996!

Respectfully,

Lt. Stan Barnes
Sanbornton Fire Department

FIRE DEPARTMENT REPORT

The members of the Sanbornton Fire Department spent a total of 1,429 hours answering calls in 1995, and 1,442 hours at training and equipment checks, for a total of 2,871 hours of Fire Department activities.

The Sanbornton Fire Department responded to the following calls in 1995:

Structure Fires.....	1	EMS, MV Accidents	52
Chimney Fires	11	Public Service Calls	21
M/A Structure Fires.....	18	Alarm Activations	22
MV Fires.....	5	False Alarms.....	2
Appliance Fires.....	3	Smoke Investigations	3
Woods Fires.....	14	Hazardous Material Calls	4
Non-Permit Fires.....	2	Fatalities	2
EMS, Sick Persons.....	68	Total Calls for 1995	228

The 911 system is in place and working; most of the calls being answered are coming through the 911 system. Many residents do not have their house numbers posted yet, it is important that these numbers be posted, and done according to the instruction packet provided to you. Several residences have their numbers on the wrong side of the road. The house number needs to be on the same side of the road as the residence. Numbers on the wrong side of the road, or unreadable numbers, can cause a longer response time - time which could save your life.

Respectfully submitted,

Arthur W. Dowling, Chief

FOREST FIRE WARDEN'S REPORT

In the calendar year 1995, our three leading cause of fires were (1) Children, (2) Non-permit fires not properly extinguished, and (3) Smoking materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors, punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department, and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics:

Forest Ranger Reported Fires

Number of Fires for Cost Share Payment.....	465
Acres Burned.....	437
Suppression Cost.....	\$147,000

Lookout Tower Reported Fires..... 555

Visitors to Towers.....	26,165
-------------------------	--------

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols, and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES"

HISTORIC DISTRICT COMMISSION REPORT

The Historic District Commission has had an active year, with good public relations and pride in your District being a top priority for this board.

The members worked on plans for signs to identify the District. Two signs are now ready to be installed early in the Spring of '96. Two more signs will be made in 1996 to complete the project. There will be one sign on each road coming into the district. One on Rt. 132 north, and south; one on Hunkins Pond Road, and one on Gulf Road. Our research found 1964 as the date the District was formed. In 1980, several buildings were placed in the National Register of Historic Places in Washington, DC.

A new house across the street from the Town Office, and a new animal shed for sheep were our only constriction projects to approve.

In September, we were reevaluated by the State Office of Historic Districts. It should be noted that Sanbornton was the first certified Historic District in the state. The state is proud of our District, and uses it as a model for other towns to come here and observe our area. Thanks should be given to Barbara Prokosh and her Commission for the work they did to secure this accreditation for the town.

Preliminary plans were discussed in October to meet with the Highway Safety Committee to upgrade the street lights in the District. Better night vision and safety are concerns, while keeping the atmosphere and style of lamps in fitting with the character of the District. Work will pursue in 1996 in this area.

In November, a photo display with a map of the District was on view at the Sanbornton Public Library. Photos were taken of all the buildings in the District, with some enlargements and some with more than one view of the buildings. Soon after its completion, the fire in the library forced us to remove the posters temporarily. Now plans are being made for the exhibit to be on display at the Town Office during the month of April. Be sure to stop by to view this excellent collection.

Priscilla Bodwell
Chairwoman

BUDGET:

Appropriated in 1995	\$175.00
Expended on photos and signs	<u>\$229.85</u>
Deficit	\$ 54.85

Requested in 1996	\$300.00
-------------------	----------

LAKES REGION PLANNING COMMISSION REPORT

The Lakes Region Planning Commission is a voluntary, non-profit association of local governments formed for the purpose of bringing area municipalities together. By associating and pooling resources, local governments have access to a highly trained professional staff for a wide variety of services. The LRPC works to benefit the member communities and the region overall. The LRPC has expertise in land use and transportation planning, master planning, environmental planning, capital improvement programming, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems, household hazardous waste collections, engineering and site plan review. Circuit rider planning and public facilitation services are also available from the Commission.

Your support helps the LRPC maintain a regional presence working on behalf of all local governments in the Lakes Region. Over the past year, the LRPC:

- ♦ Provided consultation and technical assistance to 31 member communities.
- ♦ Met repeatedly with federal and state officials and agency representatives to influence policy and help keep the region an active participant in many on-going programs.
- ♦ Contracted and coordinated the 11th, and largest, regional household hazardous waste program in the Lakes Region, serving over twenty municipalities in a one day super collection.
- ♦ Prepared an analysis for a permanent or semi-permanent household hazardous waste facility in the Lakes Region.
- ♦ Sponsored the fall sessions of the NH Law Lecture Series.
- ♦ Served as Board Member to the Belknap County Economic Development Council and the Newfound Economic Development Corporation Mitigation Advisory Committee.
- ♦ Convened two public participation meetings for the study of the Route 16 corridor reaching from the seacoast to Errol, NH, in coordination with the NH Dept. of Transportation and three other regional planning commissions. Completed extensive transportation and data collection efforts for the study.
- ♦ Completed a display map of several sites in the Lake Winnepesaukee watershed for the benefit of the Lakes Region Heritage Tourism Roundtable through the Scenic Byways Program.
- ♦ Was awarded a grant from the US Environmental Protection Agency and the NH Department of Environmental Services to continue technical assistance and publicity efforts for the Lake Winnepesaukee Watershed Project.
- ♦ Continued to follow up on efforts to locate a conference facility or multi-use convention center in the Lakes Region.
- ♦ Participated in other regionally significant economic development efforts including the Governor's State Park Advisory Committee, the Ossipee

LRPC Continued

Valley Chamber of Commerce and the Franklin Economic Development and Revitalization Committee.

- ♦ Supported and staffed the Lakes Region Transportation Advisory Committee as a forum to discuss and analyze the technical merits of transportation projects.
- ♦ Assisted applicants applying for funding assistance from the Transportation Enhancements Program, and, in cooperation with the Technical Advisory Committee, developed a list of prioritized enhancement projects for the Lakes Region.
- ♦ Convened regional meetings in support of Department of Transportation efforts for the development of a statewide transportation model.
- ♦ Completed a Tourism Profile of the Lakes Region; a statistical summary of the role that tourism-related activities have on the people and economy of the area.
- ♦ Sponsored the first annual "Celebrate Your Lakes Day" in Meredith, NH on August 12, 1995. This was created to promote water quality protection in a fun and informative setting. The activities, workshops and displays presented information about issues affecting New Hampshire's lakes.
- ♦ Published a book on the Historic Churches of Belknap County.

We look forward to serving Sanbornton in the future. Feel free to contact us at 279-8171 whenever we can be of assistance.

Sincerely,

Kimon Koulet, Executive Director

NEW BEGINNINGS REPORT

On behalf of New Beginnings, I would like to thank the Town of Sanbornton for its continued support. Your \$500.00 allocation for 94-95 assisted us in providing emergency services, advocacy, and support to victims of domestic and sexual violence.

Publicity surrounding the issue of domestic and sexual violence and its devastating effects on families and children has resulted in a significant increase in requests for our services. Our records indicate we had **5 contacts with Sanbornton residents in 1993, 11 contacts in 1994, and 38 contacts in 1995.** In addition, there were **372 other contacts** for services which were not identified by town. Our agency documented over **1,721 requests for services** in 1995.

As you may know, New Beginnings staffs a 24-hour crisis line solely with volunteers; operates a full-time shelter for women and children, and safe homes for male victims; provides support and advocacy at court, the hospital, police stations, and social service agencies; offers peer support groups for victims of domestic violence and sexual assault; assists with needs assessment, case management and housing options; and does community outreach and education programs for teens and adults. All our services are provided free of charge.

We are members of the statewide N.H. Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among the domestic violence and sexual assault programs. The Coalition is the evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs, and advocates for legislative change that affects victims of domestic and sexual assault.

We greatly appreciate the solid support of the Sanbornton community. We are dedicated to human service, social responsibility and fiscal accountability. New Beginnings represents a very finite portion of the Sanbornton budget, but the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for ourselves and our children. Volunteers are always needed and the opportunity to serve is fulfilling and satisfying.

Sincerely,

Kathy K. Keller, Acting Director

Financial Statement:

1995 Appropriation	\$500
Expended in 1995	\$500
1996 Request	\$1,000

NEW HAMPSHIRE HUMANE SOCIETY REPORT

The 1995 totals of the number of animals brought to the New Hampshire Humane Society from Sanbornton are as follows:

By the Town's Animal Control Officer:

Dogs & Puppies	15	Returned to Owner	7
Cats & Kittens	1	Returned to Owner	0
Total	16	ACO-Other/DOA	1

From Local Residents:

Dogs & Puppies	13	Stray cats	14
Cats & Kittens	4	Other	1
Total	17		

TOTAL NUMBER OF ALL ANIMALS RECEIVED: 49

Your Society's shelter has been inspected and licensed by the State and fulfills your animal shelter requirements. Every town has stray animal problems and we encourage your town and especially your Animal Control Officer to call upon us in 1996 if you have any questions.

Sincerely,

Mark J. Ackerman
Executive Director

PLANNING BOARD REPORT

The Planning Board completed and published the 1995 Master Plan. This effort is the culmination of much work which was initiated to update to the previous Master Plan published in 1984. The 1995 Master Plan examines the Town's population characteristics, land use patterns, housing, transportation and community facilities, and makes recommendations to guide the future growth and development of the Town. The Master Plan is available at the Town Office for \$15.00, or available for perusal at the Sanbornton Public Library.

The Planning Board also completed and published the 1995-2000 Capital Improvements Program (CIP). This document assists the Town in scheduling large capital expenditures in future years. The report contains financial trends, past capital expenditures, and proposed capital expenditures for the next six years.

The Planning Board met with other Town land use boards at a joint meeting to discuss proposed zoning ordinance amendments. Although no specific recommendations were presented, the Planning Board proposed two amendments for Town Meeting to begin the effort of making Sanbornton's planning and land use regulations easier to use. The Board also worked to update the applications for Subdivision and Site Plan Review.

The Planning Board reviewed a number of planning issues this past year, including the development potential of the Highway Commercial District, and methods to preserve forestland, agricultural land, and natural areas.

The Planning Board approved the following subdivisions, boundary line adjustments, and site plans:

Subdivisions	Location	Tax Map #
M. J. Hansen	Pound Road (2 lots)	21.61 21.61.2
L. Matty	Knox Road (3 lots)	20.12.2A 20.12.2B 20.12.2C
R. Lepene	Shaw Hill Road (2 lots)*	20.36.10A 20.36.10B
D. Lee	Route 127 (2 lots)	21.2.1 21.2.2
L. Bowse	Route 127 (2 lots)	15.38.1 15.38.2
G. Stone	March Road (3 lots)	27.27 27.27.1 27.27.2

*Note: Includes boundary line adjustment

POLICE DEPARTMENT REPORT

The year 1995 has shown a slight increase in calls for service over 1994, however, it has shown a 63% increase in major crimes. This figure is attributable to the economic decline and employment shortages that we are all experiencing, especially in the New England area. More so than ever, we need your continuing support in reporting to us any and all suspicious activity you may observe.

I wish to thank the Youth Assistance Program for their continued support and assistance in dealing with our juvenile offenders. I also wish to thank the Belknap County Sheriff's Department as well as the Police Departments of the surrounding communities for their assistance.

As of February 1, 1996, I will have retired from the Sanbornton Police Department. I do this with mixed feelings, as it has been a very integral part of my life for the past twenty-three years. I wish to thank each and every one of you for your support throughout those years, and I can assure you I will never forget them. Richard Robinson, a 13 year veteran of the Department, will be my replacement. I am confident that he will be able to successfully lead the Department in the future, and I ask for your continued support of our new Chief.

Respectfully submitted,

John J. Maurath
Chief of Police

PUBLIC WELFARE DEPARTMENT REPORT

In March, after nineteen years of service, the Wilsons stepped down as veteran welfare directors, and with help and much advice to the new Overseer, the transition was made. Although some say the economical atmosphere is on the upswing, it is hard to see it locally in that light. Unfortunately, the local towns will be the ones that must take up the slack, due to the impending cuts in Federal and State welfare aid.

In 1995, we have assisted twenty-nine families, and issued eighty-one vouchers for groceries, fuel, medications, utilities and rent, expending approximately \$17,000.

Again we had the assistance from former sources of help, including the Tilton-Northfield-Sanbornton Santa Fund, the Crisis Reserve, the Sanbornton Bay Homemakers, and our Christmas Tree Supplier. Now we can add to that list, two individual families who also provided toys and turkey. Our sincere thanks to all those agencies, groups and individuals that provided such caring help to the community.

This past year, \$592.00 was reimbursed to the town. Hopefully, more people will be able to do the same in the future.

In order to keep up with all the welfare information coming down from the State, four New Hampshire Local Welfare Administrators Association meetings, and two workshops were attended.

Welfare hours have been successfully instituted at the Town Office **every Wednesday from 9 A.M. to 2 P.M.** Appointments can be made by calling me at 524-4583, or on Wednesdays at the Town Office, 286-8303.

Brenda M. Kraft
Overseer of Public Welfare

FINANCIAL STATEMENT:

1995 Appropriation	1995 Expenses	1996 Request
\$35,000	\$16,901	\$35,000

RECREATION COMMISSION REPORT

With the continuing growth in recreational and health-minded residents, the Recreation Commission is always looking for new and wanted, interesting activities for all ages. In 1995, the Recreation Commission continued to organize, coordinate and/or sponsor recreational programs for the community.

Elaine St. Cyr, our Recreation Coordinator, resigned in March because she was relocating to another area. We all thank her for the work she put in on the Commission. Also, Barbara Whetstone, Co-Chair, resigned to pursue her career. Thank you for all your hard work and enthusiasm, Barbara. Joanne Boyce, a Sanbornton resident, was hired in March to fill the Recreation Coordinator position.

Below is listed and described the programs the Commission offered for our community in 1995:

BEACHES: The preparation, maintenance and staffing of both the Winnisquam and Hermit beaches for summer usage. The summer was busy in monitoring the beaches. The "carry in/carry out" was again used for trash management at both beaches.

The Commission interviewed, hired, and supervised four Red Cross Certified Lifeguards to maintain safety at both beaches, seven days a week, during the summer. They were John Bogue, Andria Moore, Jessica Landry and Erica Commers.

WATER SAFETY INSTRUCTION: Lessons were given to 80 Sanbornton children, by instructor John Bogue at Winnisquam and Hermit Lake Beaches. He was well liked at the beaches, and we hope he will be back in 1996.

SOCCER: Ten successful years of the Sanbornton Soccer Program has made some excellent players. 164 children, grades K-8, participated this year. It is growing larger and larger every year. Many local parents and community members volunteered their time to coach, prepare the fields, referee, and provide refreshments. The practice and games were played on Saturday and Thursday evenings. We want to thank Sant Bani School and the Whetstones for providing the playing fields. Games were played against Franklin and Tilton/Northfield teams. The awards ceremony was canceled due to rain twice, and was finally held at the Sanbornton Town Hall. Unfortunately, not everyone was able to attend the festivities.

LASSIE LEAGUE: Girls softball was in its third year, for ages 8-12. There were 16 girls who participated in this program.

HALLOWEEN PARTY: Two hours of games, mystery, pumpkin painting and much fun was held at the Sanbornton Town Hall, which included a Haunted House and refreshments. Many thanks to all who help in this major undertaking.

SUMMER DAY CAMP: Day Camp was extended to three days a week at the WRMS for ages 5-12. Geri McKenna and Kirk Beattie were hired to operate the program. The program included arts and crafts, a boat trip, sports, a trip to Fun Spot, a day at the ocean, and many other fun and learning experiences.

YOUTH BASKETBALL: Sanbornton offered this program in January-February at the WRMS. We had 27 players in grades 2-8 participate. Many parents helped coach the children on the fundamentals of basketball.

SENIOR CITIZEN TRIPS: Trips were offered, most free of charge, to the senior citizens of Sanbornton. A Mystery Trip was in July, and a trip to Castle Springs in October. Transportation was provided by the Community Action Program with bag lunches provided at no charge.

SPECIAL TRIP: A bus was rented, and 48 Sanbornton residents went to a Red Sox game at Fenway Park on July 1st.

The Commission also sponsored and/or assisted with several town recreation programs. These included skating lessons and family skating at the Tilton School Rink, support for the Sanbornton Youth Baseball League, a youth skiing program at Highlands Ski Area, and a booth at the Celebrate Sanbornton Day.

The Commission would like to thank the many community members who volunteered their time, energy, and enthusiasm to this year's programs.

Goals for 1996:

- To expand our summer Day Camp from three to five days.
- To offer four Senior Citizen Trips - in May, July, September and December.
- Help establish an ice skating rink in the Town Park when completed.
- Offer evening swimming lessons this summer.
- Start a Line Dancing program for all Sanbornton residents.
- A town trip to Boston and a Celtics game trip.
- Establish our own soccer fields at the Town Park.
- Offer programs that are fun, and programs that promote physical fitness for all ages in town.

SANBORNTON PUBLIC LIBRARY REPORT

During 1995, the Library continued to grow, with increases in patron usage, circulation, and special programs. Sanbornton Central School students used the Library on a regular basis, which was especially helpful during their extensive renovations and new construction. Two private day care units also use the Library regularly, along with many young pre-school children brought in by their parents.

The first quarter of the year usually finds our most challenging weather, but the Library remained open through most storms, with a few early closings and one snow day.

The Spring was a busy time, with April being the busiest month for libraries throughout the area. Plans were made for our Summer Program. The theme of Saddle Up a Good Book by famed international author, Tomie DePaola, was one of our most successful Summer Programs. Our northern New England children loved the western theme, and cowboy hats were very popular!!

The computer services with Inter-Library Loan, have made our Library open to a "world of books", and patrons are pleased with this expanded service.

Our Fall started with routine usage of the Library by patrons and students, until two days after Thanksgiving, when we were called to the Library at 10:30 pm, to find a fire in the furnace room. Damage from smoke and oil fumes was heavy, and the Library was closed for two weeks. Cleaning, ventilation, and removing the damaged furnace was a slow process. Soon the new furnace was installed, and on Dec. 7th, we reopened for business. We were thankful to have the fire alarm system working efficiently, which saved the books and the building from further damage. Thanks to the Fire Department for their quick response.

Christmas activities in a very clean Library completed our year. Thank you to all for your calls and concerns during our shut-down. It was helpful to the Staff and the Trustees to have so much support from the town residents and friends of the Library evident.

We cannot complete this report without mentioning the sadness we all feel with the loss of two very dear people to the town. The death of our Town Clerk, Anne Ingemundsen, and our Fire Chief's wife, Jean Dowling, are a great loss to us all. Money gifts have been given to the Fire Department and to the Library. The Anne Ingemundsen Memorial Book Fund has exceeded all our expectations, and will be a tremendous boost to our collection. New books about FIRE TRUCKS given in memory of Jean, and a video called BIG RED, will be a special addition to the always popular subject for both boys and girls. Both of these women are greatly missed, and will be remembered here whenever books purchased in their memory are circulated.

Sanbornton Public Library Continued

We look forward to continuing to serve your reading and reference needs in 1996. If you do not have a library card, stop in to register and see the fine collection we have developed.

SEWER COMMITTEE REPORT

The Committee met four times during 1995. Problems of acquiring "As-Built Drawings" for certain sewer connections were addressed and resolved.

An amendment to the Sewer User Charge System Ordinance was drafted and sent to the Selectmen for enactment, effective January 1, 1996. The system of different year-round and seasonal billing is now discontinued. In 1996, all users will be billed on a year-round basis. This will eliminate the administrative problem of determining which users are seasonal each year.

The forms used to apply for sewer connection permits were reviewed and revised to simplify the process for both the applicants and the Town Office staff.

A budget of \$29,260 for 1996 expenses was prepared and submitted to the Selectmen and Budget Committee. Of this, \$8,507 is to be raised by taxes for bonded indebtedness, and \$20,753 to be raised from user fees.

In 1995, we had expenses of \$27,870.83. User fee receipts totaled \$22,958.83, leaving a difference which was paid from taxes.

Respectfully submitted,

Don Foudriat,
Chairman

SOLID WASTE COMMITTEE REPORT

This has been a transitional year for trash disposal in our town. We stopped dumping in the landfill and started using our new Transfer Station. Our new recycling building became operational, allowing us to recycle greater quantities, as well as to recycle new types of materials. We also began a Pay-Per-Bag program to equitably fund non-recyclable trash disposal at the Transfer Station.

Town residents have done an excellent job in adjusting to all of these changes. Fortunately for everyone involved, no significant changes are planned for the upcoming year.

The new Pay-Per-Bag program appears to be working well. It has successfully raised revenue to pay for the new cost of transporting trash out of town. We expect bag sales to bring in approximately \$35,000 in 1996 - money that will not need to be raised through taxes. Bags can be conveniently purchased by residents at area stores, and also at the Transfer Station when necessary. Area stores that carry our bags should be commended for doing so at no additional charge to the town or its residents.

The Committee and the Selectmen are continuing to work with the State on an environmentally proper and economical means of doing a final closure for the landfill. Over the past three years, tests of groundwater taken from our monitoring wells have shown a significant decrease in contamination levels. It is hoped that this trend means that a less stringent closure method will be acceptable. To better characterize levels of downgradient (toward the river) contamination of the landfill, we have agreed with the State to install two additional wells in this area. Money for this project is contained in this year's budget.

Respectfully submitted,

Joel Anderson, Chairman

TOWN PARK DEVELOPMENT COMMITTEE REPORT

The Town Park Development Committee has proceeded with plans to start the Town Park at the chosen location on Shaw Hill Road.

The property was cut in the Spring, followed by stumping in the Fall. At the present time, stumps are being moved and topsoil pushed aside. Monies from the logging operation were returned to the town's general fund.

This project will be done in phases. Initially, we will be providing sufficient space for a baseball field, with a soccer overlay. Roadways and parking will also be available.

Throughout the Spring and Summer, we will be looking for many volunteers for the many projects that we can do ourselves. This is a wonderful location that will offer a wide range of activities for all ages. We hope to start some of these activities with a dedication in August.

TRUSTEES OF TRUST FUNDS REPORT

A new member, Edwin LeBel, joined the board in April, 1995, replacing Normand Boudreau, who chose not to seek another term when his term expired. The Trustees would like to offer our sincere appreciation to Normand for his dedicated efforts while serving as Trustee of Trust Funds in Sanbornton. We wish him well.

Many formal meetings were held during the year, and many phone consultations occurred. Also, each year the Trustees attend the Annual Seminar on Trust Fund Administration and Statutory Filing Requirements given by the Department of Revenue Administration, Municipal Services Division. This keeps the Trustees up to date on all requirements, and sometimes the greatest value of these meetings comes from hearing about problems other towns are having.

It has been a tradition for all new Trustees to attend this informational orientation session. We are happy to report that our new member was also able to attend this year.

As the financial report shows, a significant dollar capital fund withdrawal request was approved by the Trustees for the Selectmen this year. Also, we are very happy to report that earnings on trust fund investments in 1995 exceeded returns reported for 1994. Finally, the independent auditing firm of Plodzik & Sanderson have once again reviewed and approved our financial records.

In the late 1800s, John Doe Taylor left Sanbornton to make his fortune in New York. He became a very successful lawyer and remembered his hometown in his will. He was especially interested in education, and bequeathed money for two scholarships for children who do not have finances for a college education. One scholarship is for two needy students admitted to U.N.H. The other is for two students admitted to a college of their choice other than U.N.H. In 1995, nine students applied for scholarships for the 1995-96 school year. The recipients for the U.N.H. scholarships were Christopher Bean and Susan Cegelski. The open awards went to Robert Parsons, who is attending Catawba College in Salisbury, N.C., and to Jason Olisky, who is attending Plymouth State College.

Applications for 1996-97 may be obtained at the Town Office or at the W.R.H.S. Counselor's Office.

WINNISQUAM FIRE DEPARTMENT REPORT

The Winnisquam Fire Department answered 359 calls for assistance during 1995. The breakdown of our calls by basic type and location are listed below:

	<u>Belmont</u>	<u>Sanbornton</u>	<u>Tilton</u>
Structure Fires	8	2	5
Chimney Fires	8	4	0
Alarm Activations	46	6	0
Car Fires	3	1	0
Brush Fires	7	9	2
Medical - Transported	14	25	22
Non-transport	14	4	10
Medical Alarms	47	0	5
Motor Vehicle Accidents	15	13	25
Other	23	7	20
TOTALS	185	71	89

Mutual Aid calls - 14 with towns other than Belmont, Sanbornton, and Tilton, including a structure fire in Pittsfield, a missing person search in Strafford, and medical and fire calls in Gilford and Laconia. Of the above calls, Winnisquam alone handled 47 in Belmont and 3 in Tilton.

Present vehicles in use:

- 1 - 1968 International 750 gal. pump 1000 gal. tank
- 1 - 1981 International 1000 gal pump 1000 gal. tank
- 1 - 1980 Ford ambulance/rescue vehicle
- 1 - Forestry Jeep
- 1 - Rescue Boat

Regular business meetings are held on the first Thursday of each month at 7:00 PM, and special meetings are held as needed. The Department consists of twenty-four active volunteers (no compensation). Eleven of these members are registered EMTs, with three being Intermediate Level with IV capabilities. EMTs also have medication and intubation certifications.

During the year, the Department reached its goal of raising \$15,000 towards the purchase of the new fire truck that we hope to be able to order this year. We are seeking the support at the town and district meetings this year, to provide the funds necessary to be able to purchase the new truck. This will replace the 1968 International that has been in service the past 28 years.

The Winnisquam Fire Department would like to thank the community for its continuing support at our suppers, car washes and other fund raising events.

Rosanna Leighton, Secretary

YOUTH ASSISTANCE PROGRAM REPORT

Volunteers, police, school and town officials, and parents are the backbone of this program. Volunteers serve on the Juvenile Review Boards and Board of Directors, supervise community service sites, offer their expertise in group training, and work individually with young people. Our police keep us informed of legal issues, youthful activity and refer appropriate cases.

As of August '95, youths under the age of 18 may be arrested for smoking cigarettes. Those who sell to minors will pay a fine. We are beginning to receive referrals from the police and schools for smoking violations. A program for training and awareness to address this specific concern is being used, in addition to the Challenge Training for substance abuse and our Fire Safety Training. Our Challenge Training, which we have run for several years, is funded through a government grant. Our fire departments have helped us develop the Fire Safety Training. Through this program we are able to address the problems of youth acting out for a variety of reasons, and kids thoughtlessly starting fires. Serious concerns of the pyromaniac, we refer to other facilities prepared to address their deeper needs.

Our children are our present and our future. It is encouraging to serve in communities that care about their young people.
